

# **The Ninth Clean Energy Ministerial (CEM9) and Third Mission Innovation (MI-3) Ministerial**

## **Logistics Note for Government Delegations**

### **One destination - two cities**

Denmark, Finland, Norway, Sweden, the Nordic Council of Ministers and the European Commission, representing the European Union (EU), will host the Clean Energy Ministerial and Mission Innovation ministerial meeting (CEM9/MI-3). On behalf of all the co-hosts, Denmark and Sweden will welcome delegates to the Danish capital Copenhagen and one of Sweden's largest cities, Malmö. This is known as the Öresund region and the two cities are famously linked by the Öresund Bridge.

Every day many Copenhageners and residents of Malmö commute effortlessly daily back and forth for business and pleasure between the two cities.

The general guideline is that MI-3 activities will be hosted in Sweden and CEM9 in Denmark. As planning progresses, a draft schedule will be presented.

## Velkommen to Copenhagen, Denmark

Copenhagen, or as Danes call it: *København* is the capital and most populous city of Denmark with almost 1.300.000 inhabitants.

With a number of bridges connecting the various districts, the cityscape is characterized by waterfronts, parks and promenades. Copenhagen's landmarks such as Tivoli Gardens, The Little Mermaid statue, the Amalienborg and Christiansborg Palaces, Rosenborg Castle Gardens, Frederik's Church, and many museums and restaurants are significant tourist attractions.

Copenhagen is one of the most bicycle-friendly cities in the world. The Copenhagen Metro launched in 2002 serves central Copenhagen while the Copenhagen S-train network serves and connects central Copenhagen to its suburbs. Serving roughly two million passengers a month, Copenhagen Airport, Kastrup, is the busiest airport in the Nordic countries.

The Danish green transition has been under way for decades and is widely integrated as an essential factor for business and product development, public opinion, lifestyle and politics. It is trendy and good business to think sustainably!

We look forward to welcoming you in Copenhagen and sharing our state of green.

## **Välkommen to Malmö, Sweden**

Malmö is the third biggest city in Sweden with close to 335 000 inhabitants, and the population is increasing every year. The average age is 38,5. With people from 177 countries, Malmö is multicultural in the true sense of the word.

Diversity is one of the characteristics of the city, creating the conditions for a rich cultural life. Diversity also creates opportunities for Malmö to assert itself in an increasingly globalised economy.

Malmö has a vision of being a socially, economically and ecologically sustainable city. Efforts are actively being employed to reduce health inequalities primarily focusing on children and young people. Meanwhile, Malmö is at the forefront in terms of the construction of ecological environments such as Augustenborg, Västra hamnen and Hyllie.

Smart energy systems are already at work, making the energy flow and bringing us closer every day to fulfilling our city's ambitious goal to be run on 100% renewable energy by 2030.

Malmö has become a knowledge city with leading educational institutions including Malmö University, the World Maritime University, the Royal University College of Fine Arts, Malmö Academy of Music and Malmö Theatre Academy.

## **Venues in Copenhagen**

Copenhagen is a city of proud shipping traditions. The CEM9 closed-door Ministerial session and many of the related activities will take place at renovated historic warehouses in the very center of Copenhagen - namely the conference venue Eigtveds Pakhus, located on Asiatisk Plads, next to the Danish Ministry of Foreign Affairs and the Danish Architecture Centre (DAC) which is in the neighboring building. The latter will host the CEM9 side events on Thursday.

Eigtveds Pakhus  
Asiatisk Plads 2 G  
1401 Copenhagen K

Danish Architecture Centre  
Strandgade 27B  
1401 Copenhagen K

## **23-24 May 2018, Copenhagen, Denmark**

Access to the conference venue is limited to accredited delegates. Media is invited to attend the press conference at the end of the CEM ministerial meeting on the afternoon of Thursday 24th May.

Please note that access to the Ministerial meeting room will be restricted to Minister +3, due to logistical limitations. A neighbouring “Salle d’écoute” will be available for 4 additional delegation members. Delegations are welcome to rotate advisers in the ministerial meeting room during the closed-door session, as interchangeable access badges will be introduced to ensure that no more than Minister +3 will be in the meeting room at any one time. This means maximum Minister +7 will have access to Eigtveds Pakhus. Local embassies/support staff are kindly asked to limit meetings with the delegates to the reception area or outside the building.

All participants are required to wear badges at all times to gain access to all CEM9/MI-3 venues also during meals and excursions.

### **Booking of bilateral meeting rooms, Copenhagen**

Bilateral meeting rooms will be made available free of charge at CEM9 at Eigtveds Pakhus. Reservations are accepted on a first come, first served basis by e-mailing [cem9-mi3@efkm.dk](mailto:cem9-mi3@efkm.dk).

Please state timing, expected number of participants and if you request the room for 30 or 45 minutes.

**23-24 May 2018, Copenhagen, Denmark**

### **Side events, Copenhagen**

CEM9 side event program will be displayed on the registration website launched 22 March 2018.

Besides the CEM activities in the warehouses, many Clean Energy activities will take place during the same week all over Copenhagen and Malmö under the umbrella “Nordic Clean Energy Week”.

Please consult [www.stateofgreen.com/en](http://www.stateofgreen.com/en) for overview and inspiration. You are also welcome to send an e-mail to State of Green for further information: [energyweek@stateofgreen.com](mailto:energyweek@stateofgreen.com)

### **Accommodation in Copenhagen**

Copenhagen is a popular tourist and conference city. This is reflected by a need for early bookings in order to secure appropriate hotel accommodation. Delegations wishing to book the remaining rooms through the central block booking are strongly encouraged to do so as soon as possible, as rooms will be held for a limited time only.

#### **Admiral Hotel, [www.admiralhotel.dk](http://www.admiralhotel.dk)**

## **Transportation**

By metro: Eigtveds Pakhus and DAC are easily reached from Copenhagen Airport by taking the metro to the stop Christianshavn. The journey takes less than 15 minutes.

Further information can be found at:

<http://intl.m.dk/#!/about+the+metro/tickets>. Tickets can be bought and paid by credit card at stations.

By bus: It is easy to get around the Copenhagen center by bus. The buses 2A, 9A, 40 and 350S stop at Knippelsbro Bridge, a 2 minute walk from Eigtveds Pakhus and DAC.

Bus tickets can only be purchased in Danish currency. In order to buy tickets for the metro, train and bus, it may be advantageous to download the app: DOT Mobilbilletter by DSB or at the major train stations.

By taxi/car: The journey from Copenhagen Airport to Eigtveds Pakhus and DAC is approximately 15-20 minutes.

Suggested taxi companies:

4x35:+ 45 35 35 35 35, App: Taxa 4x35

Dan taxi: + 45 48 48 48 48, [www.dantaxi.dk/Online-booking](http://www.dantaxi.dk/Online-booking)

Please note that only limited parking options are available at the event locations.

By bike: Many citizens of Copenhagen use bicycles as their principle choice of transportation. In Copenhagen, we cycle no matter if the sun is shining, the rain is pouring down, or snow has painted the city white. We cycle to work, to school, to take the kids to kindergarten, to shop for groceries and to social gatherings.

If you want to experience Copenhagen the local way, you may wish to rent a bike. The city has many rental services, for example [www.copenhagenbicycles.dk](http://www.copenhagenbicycles.dk), [www.bycyklen.dk](http://www.bycyklen.dk) or [www.donkey.bike/cities/bike-rental-copenhagen](http://www.donkey.bike/cities/bike-rental-copenhagen)
