

Schedule of CEM9 Side Events

Danish Centre of Architecture 24 May - Room 2	Danish Centre of Architecture 24 May - Room 7	Danish Centre of Architecture 24 May - Room 1	Ministry of Energy, Utilities and Climate
<u>9.30-10.30</u> Bridging and Building to a Renewable Energy Future (Denmark, Germany, REN21)	<u>8.30-9.20</u> Accelerating EU action on building renovation and finance through the revised Energy Performance of Buildings Directive (EC)		<u>8.30-10.30*</u> CEM Advanced Power Plant Flexibility Campaign Workshop on Campaign Results (IEA)
<u>10.30-11.30</u> Clean Energy from the Oceans – Exchange of best practices (EC, European Ocean Energy Association)	<u>9.30-10.30</u> Perspectives on Smart Energy Storage Systems (Sweden, Korea, Swedish Energy Institute, Korea Smart Grid Institute)	<u>10.30-11.30</u> Power System Transformation: Case Studies from Brazil, China, India and Mexico (US National Renewable Energy Lab)	
<u>11.30-13.00</u> Intelligent market design – boosting global smart grid deployment (Sweden Swedish, Smart Grid Forum Office)	<u>10.30-12.00</u> Delivering Sustainable Cooling in a Warming World (Mexico, IEA)	<u>11.30-12.30</u> Flexible Energy Systems for high penetration of RES – Society Scale Demonstrations (Finland, China, Business Finland, China Wind Energy Association)	<u>10.30-13.00</u> CEM Technical Advanced Power Plant Flexibility Campaign Workshop on specific Danish power plant flexibility solutions (Danish Energy Agency)
<u>14.00-15.00</u> From Global to Local Lighting Challenge- The Road to Reduction (Sweden, Swedish Energy Agency)	<u>12.30-14.00</u> Perspectives for Offshore Wind Energy (Germany, Norway, Denmark, IRENA)	<u>13.30-14.30</u> Launch of the Initiative on Nuclear Innovation, Clean Energy Future (NICE Future) (Canada, Japan, USA)	
<u>15.15 – 16.15</u> Sustainable Cities and Eco-energy Towns: Technologies and Future Perspectives (Russia, Korea, Korea Energy Economics Institute)	<u>15.30-16.30</u> Mobilising Cities to Scale Up Electric Mobility for the Clean Energy Transition (Canada, China, IEA)	<u>14:45-16.00</u> Corporate Sourcing of Renewable Energy (Germany, Denmark, IRENA)	
<u>16.30-17.30</u> Work Stream Award Ceremonies (CEM Secretariat)	<u>16.30-17.30</u> Launch of the EQUAL by 30 Campaign for a Gender-Diverse Energy Sector (C3E) (Sweden, Canada, IEA)	<u>16.10-17.10</u> Launch of the Initiative on Carbon Capture, Utilisation and Storage (USA, Norway)	<u>*23 May 7.00-18.30</u> Site visits outside Copenhagen as a part of the CEM Advanced Power Plant Flexibility Campaign

Note: The Clean Energy Investment Forum will be held on 22nd May and is invitation-only.
